Shire Property Summit

The first shire property summit is coming to Hemel Hempstead in June 2022

Designed to bring landlords, property professionals, developers, and investors alike together for a glamorous evening.

Hosted by award winning comedian Bennett Arron who will introduce our speakers for the evening and entertain you throughout your three-course meal

Meet likeminded property people and network with some of the most knowledgeable and experienced people in the industry.

Our pre-dinner reception offers a great opportunity to network so don't forget your business cards

Follow all the action of the evening on social media with our dedicated hashtag

#SPS22

#SPS22

Over 6,200 strong Network

Position your brand in front of 6,200+ property professionals from across the region.

The night aims to celebrate All things property with celebrity speakers and exclusive entertainment.

Partnering with us can put your business in an ideal position to meet and network with this key group of property individuals.

High Quality Audience

The Shire property summit has thousands of respected local landlords, investors and experts from organisations who service the property investment industry, including property investors, finance companies, law firms, insurance firms, media outlets and more.

As well as being supported monthly by both local and National Partners.

This provides unique direct marketing to thousands of property professionals and landlords alike.

Unique Hybrid Event

As well as the 120 guests on the night, the event will be streamed LIVE via Zoom increasing the reach for your brand massively.
